

Bulletin - October 2018

The highlight of the month was the presence of honorable Chief Minister Mr. Trivendra Singh Rawat as the chief guest on our 8th Annual day. He also inaugurated the 'Atal Tinkering Lab'. This specialist lab is dedicated to a works space where students learn innovative skills and develop ideas that will go on to transform India. This lab is powered to acquaint students with equipment such as

3D printers, robotics, and electronics development tools etc.

Little kids of ECLC went to see a helipad at Dehradun Cant. Children were excited seeing a helicopter landing. They also visited general post office (G.P.O.) and were happy to see letterbox.

PYDS under – 18 girls team won silver medal in district Junior volleyball championship organized at parade ground Dehradun.

A drawing competition was organized at Pestle Weed College on Gandhi Jayanti.

Our children won the following prizes in various categories :

- a. Ifra Naaz class 10 secured 1st position.
- b. Mehak Bhandari class 9 secured 2nd position.
- c. Neha Parmani class 3 secured 2nd position.
- d. Dev Verma class 6 secured 2nd position.
