Fun Learning Trips

Travelling allows you to become so many different versions of yourself.

This New Year 2020 began with a **memorable trip to Gujarat** where a group of 56 (50 students and 6 teachers) experienced the rich Gujarati history, heritage and culture.

The trip was full of learning not only in terms of places visited and their significance, but also the responsible manner way the group conducted itself. There was significant learning of life skills like teamwork, community living, showing gratitude, being conscious of the environment and following instructions of teachers. The group visited various places of interest like Kirti Mandir, Porbandar, Porbandar Port, Dwarka, Somnath, Junagadh Fort, Ashoka Rock Edict, Girnar Hills, Sabarmati Ashram and Amul (Anand). Overnight camping at an island (Beyt Dwarka) was one of the highlights of the trip for many.

The month ended with another **educational trip to New Delhi**. A group of 54 (49 students from classes 6 and 5 teachers) went on this trip. They visited many important sights like National Science Centre, Swaminarayan Akshardham, Cariappa Parade Ground to see rehearsals of NCC rally, Nehru Planetarium, Raj Ghat, Red Fort, Bharat Parv, the rehearsals of Beating Retreat at Vijaypath, Delhi Zoo, India Gate, Jama Masjid and ate a meal at the historical and flavorsome Parantha Gali. Most awe-inspiring of all was their witnessing the **71st Republic Day** parade live from the bleachers at Rajpath.

This enriching experience of the capital city helped students to absorb, interact and be immersed in its rich history, culture, architecture and at times, patriotism.
